

**March 2023 President's News**

**Colorado Governor's with March Birthdays:** Stephen McNichols, 35<sup>th</sup> (1957-1963), born in Denver.

**President's musings:**

Spring..... my favorite time of the year. The season of beginnings, of growth, of beauty! Seeing my flowers popping out of the ground, the trees budding renews my faith in everything. Our Territorial Daughters chapter is renewing too! 😊

Our state needs TDC's participation now more than ever..... to tell people about our history [our natives of Colorado are far and few between these days]; to work to preserve & save our history; to remind those in power that our past needs to be looked after as well as planning for our future. Spread the word!

Our TDC birthday luncheon was a great event: Great food, wonderful speaker....Thank you so much Janice; and lots of members!! I loved meeting new people and really enjoyed seeing the different generations represented. Hope those who attended feel the same. Let's do this again, say.... Next year??? 😊

**Philanthropic Tea:**

Ladies, dust off that "Go to church hat" and get ready for our tea! Wednesday, April 26, 2023. We will have various teas, and wonderful things to nibble on! Mmmm-mmm!! TDC will cover the cost of this great event. We ask you to donate for supplies to assist us in our service project for The Four Mile House History Park. Our tea will be at the GlenOaks Clubhouse, near the Streets of Southglenn. We want to make sure we have enough things for all to nibble on!! Food, Fun, Fellowship

**Service Project:**

We are getting our service project planned – building picnic tables to donate to Four Mile House History Park. We are aiming for May 17<sup>th</sup> to work on the tables, but it depends on our weather. Please let me know if you want to help out , as many hands make light work. Should we have inclement weather I will contact you with the rescheduled date.

**Celebrate Colorado's Birthday!!** August 1<sup>st</sup> our beloved state will turn 147 years old as the 38<sup>th</sup> state of the union. Why not use this day to learn a little more about our earlier settlers. We have arranged for an Historical Tour of Denver's Fairmount Cemetery. Put this date in your calendar!

**TDC State meeting:** Our hosts will be the Greeley chapter this year. It will be **September 9<sup>th</sup>** during the Fort Lupton and South Platte Valley Historic Park's Trapper Days Rendezvous.

Please keep in mind, Denver will host the state meeting next year, and we would love your ideas on where to hold it. It should be held in conjunction with an event around the metro area, based on the location's history. Send us your ideas!!
