### **Approval of Minutes**

Members reviewed minutes of 3/30/2022 and approved by consensus.

### **Treasurer's Report**

Kathie gave the treasurer's report indicating that 109 members have paid dues. Additionally, the Denver Chapter pays the State for 12 Honorary Members. This brings our active membership to 121. Treasurer report specifics are on file.

### **Programs**

Connie reported on her contact with Four Mile Historic Park regarding a potential field trip in July or August. The cost per member would be \$7.00 for those over 65. We are looking at a Wednesday or Friday trip. Connie will follow up on their summer schedule and report back. This would be funded by our Programs account.

### **Outreach and Relationships**

Pam contacted *Colorado Preservation*, who pointed her to *Historic Denver* noting that it would be more beneficial for the Denver Chapter to have that contact. Additionally, we hope to contact *The Colorado Historical Society* – now known as *History Colorado*. Pam suggested that someone with a marketing background would be helpful in this pursuit. We are taking “baby steps”!

### **State Meeting Update**

Sandra shared the email that was received from the State Meeting Planning Committee regarding a potential meeting on June 11th during the Pikes Peak Regional History Symposium. All present agreed it was a splendid idea and to proceed. The Denver Chapter has volunteered to do the name tags for the event.

### **Announcements**
