Members reviewed minutes of 1/26/2022 meeting. Correction: Sandra Phillips does Website, not Scholarship. Connie Freeman does Scholarship, not Website.

Review of TDC questionnaires and comments. Discussion followed.

Carla reported:

- State president, Judith, thought TDC and it's chapters should contact Colorado Preservation Society to possibly collaborate on future projects. It was agreed by consensus that would be a good thing to follow up on.
- Judith asked for thoughts [from state board and chapter boards] to combine the annual state meeting with Southern Chapter's event, in Pueblo, on May 20 & 21, 2022. It was agreed by consensus that it made sense, and to approve.
- Every chapter will have a part in preparations for the meeting. Sandra & Connie volunteered to be the Denver Chapter liaisons for our preparation assignment.
- Mary Scott, Denver Chapter president resigned, due to increased work commitments. Discussion followed on bylaws to fill the position. Also that Denver Chapter had missed last election cycle due to Covid. Discussion followed, and by consensus the following officers were elected for 2 year terms: Pam Collins, president, Carla Hofscheider, vice president, Connie Freeman, secretary, Kathie Bartee, treasurer. Connie will remain as scholarship chair, and Sandra will remain as webmaster.

Discussions were held regarding members wanting more programs rather than just meetings. Also meetings during warm months, possibly moving locations around and/or days of week. Members also suggested combined in-person & zoom meetings.

Upcoming ideas were tentatively agreed upon;

July 27<sup>th</sup> at 4 mile house – or- August 1<sup>st</sup> at Veterans park, to assist ringing the liberty bell with DAR.

17 mile house or 20 mile house visit; sharing of family history of a board member. Future dates and places to be firmed up at next board meeting.

Meeting was adjourned at 1:28 pm.
